- c. Feedback

2. Submission

- a. Due date:
- b. Submission Date:
- c. % Points lost:

3. Plagiarism:

a. Safe Assign guidelines:

- i. Little evidence of plagiarism (15%):
- ii. Some evidence of plagiarism (15 to 40%):
- iii. High probability of plagiarism (40%+):
- b. Document:
 - i. Feedback:

4. Formatting

- a. Target length is 2-3 pages double spaced, 1 inch margins max, 12 point font:
- b. [your Name][Date submitted][Summary # (e.g., 3)]:
- c. [Article Authors' Name(s), Year Published] E.G., Williams, W.L. (2013):
- d. Feedback:
- e. Points Earned:

5. Brief summary of the purpose, procedures, and findings

- a. 1 page:
- b. Content:
 - ii. (e.g., Why did they do this? Basically what did they do? How many subjects etc. What were the main procedures and their results / findings) (For non research articles: What is the area of this paper, the purpose of this article, and the major conclusions or findings)
- c. Feedback:
- d. Points Earned:

6. Description of major contributions

- a. 1 paragraph:
- b. Content:
 - iii. (What contribution does this work make to knowledge in this area? For non-research articles describe the major findings in more detail)
- c. Feedback:
- d. Points Earned:

7. Description of major limitations

- a. 1 paragraph:
- b. Content:
 - iv. (e.g., weakness of design or procedures, setting, problems etc.) For non-research articles describe why you agree or disagree with the findings or conclusions, or what do you think is missing from the arguments made?
- c. Feedback:
- d. Points Earned:

8. Implications drawn and/or ideas for future research

- a. 1 Paragraph:
- b. Content:
 - v. (what is/ are the next logical step(s) for this research? What new research questions do these results suggest?) For non-research articles how does this paper change what ideas needs to be analyzed or summarized and published now?
- c. Feedback:

d. Points Earned:

9. Practical clinical reality issues

a. 1 paragraph:

b. Content:

- vi. (What does this study have to say about daily clinical practice in this area? how can we use this info now?) (note: some articles may not have practical utility) For non-research articles do the concepts and ideas discussed have any relevance to our daily reality, well being, societal practices, etc.

c. Feedback:

d. Points Earned:

10. Provide a reference in APA style
